- They picked up someone else's suitcase.
- Their luggage didn't arrive.

b Which of the words from exercise 1 does Conor mention?

We were on holiday in July. We travelled to Spain by plane. We landed at the airport in Malaga. A man checked our passports and then we waited for our luggage. Soon the bags and suitcases started to arrive. Mum and Dad's bag was first. Then my sister, Clare, shouted: 'There's our suitcase!' We didn't check the label. We just grabbed it and then followed Mum and Dad with all of our luggage on a trolley. When we arrived at our hotel, we started to unpack. Mum and Dad opened their bag and Clare tried to open our suitcase. 'Is this the right key?' she asked. 'I can't open it.' Then we looked at the name on the label. It wasn't our suitcase! Mum phoned the airport. Our bag was still there. There was a very angry man there, too. Dad wasn't happy, because we needed a taxi to take the other passenger's suitcase back to the airport and collect our suitcase.
